Mark H says there are two available. One's on its way.  
Do they need the second?

**Subject:** Urgent: Request for a better conference phone for Hurricane Harvey teleconferences.

We have a request for a Polycom-type conference phone in the 8<sup>th</sup> Floor Fishbowl, as it is being used regularly for conference calls related to the Hurricane Harvey Response. Please advise as to availability and if possible, have the phone logged in and ready for use before the scheduled noon CDT conference call.

Thanks.
